

NON SCHOOL DAY PROGRAM RESUMPTION

Registration for our PD non-school days program is now open to military families!

We will be offering childcare for Grades K-6 on non-school days of the 2020-2021 calendar year. Check our website for dates and further details

www.cafconnection.ca/Moose-Jaw/PDDay

We require caregivers to be aware of the following information:

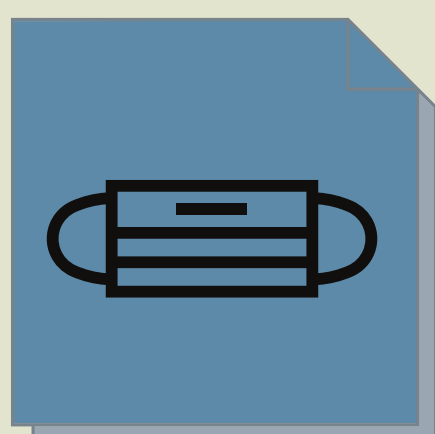

Registration and Capacity

- As per pre-COVID, caregivers must register children in advance by calling 306.694.2273.
- Children will not be permitted at the program if not registered in advance.
- A maximum of 8 children will be permitted per program.

Drop Off and Pick Up Procedures

- The Non School Day Program will continue to be held in the Youth Centre as per pre-COVID. Please follow directional signage and staff guidance upon arrival and departure.
- Caregivers and children must wear masks during arrival and pickup as maintaining physical distance will not be possible.
- Staff member will take the children's temperature via a touchless thermometer and have caregivers complete a brief medical questionnaire.
- When arriving for pickup, caregivers must wait at the end of the hallway as indicated by directional signage.

Physical Distancing and Masks

- Children will be encouraged to maintain distance from each other and keep physical contact to an absolute minimum.
- When physical distance is not possible, it is strongly recommended that children wear masks.
- Children will maintain distance when sitting at tables – e.g. snack and lunch periods, as well as craft and activity times.
- No food will be given or prepared by staff and children during this time. Children will eat the snacks and lunch that they have brought with them.

Cleaning and Hygiene Procedures

- Upon arrival, staff will complete a health questionnaire, take their temperature, put on masks and sanitize hands.
- Staff will ensure that all necessary materials have been sanitized for use before and after the program.
- Children will sanitize their hands before entering the program space and again before using any materials. After a program activity is finished, children will sanitize hands again.

If you would like a full list of procedures and protocols, please email moosejaw@cafconnection.ca
