

SUMMER

2017

June 10-17, 2017

Thank-you so much for our wonderful stay. We adore your chalet and one week is not long enough for our vacation. We would have liked to stay another week. The chalet is very cozy and clean and is in a great location for visiting many places we would love to one day return! Our week here was filled with warm sunny weather! It was perfect for all of our days we went exploring. We went to Gramat, Mont-Saint-Michel, St-Malo and the beaches of La Day.

Just a heads up. Now that there is no more roaming charges we found it easier, quicker to follow google maps than use our GPS. On average we saved about 20 minutes using google maps. The GPS liked to take us on tiny little roads (not always good when we are driving a SUV).

I can not forget to thank Frank for being so helpful and friendly upon our late arrival!

Thank-You again for such a memorable stay!

12-19 Aug 2017

What a wonderful week. The weather turned out much better than predicted. Got lucky.

A couple highlights of the week:

- 1) Le Mont St Michel - got up at 6, left 7, & was there just after 8. Only needed the morning to see it to be honest. Then we drove to
- 2) St Malo - spent the afternoon there. Quite nice. Didn't know there was an beautiful beach there. Would have brought beach attire
- 3) Bayeux Museum was good & served as a nice primer for the D-Day beaches. Go to Juno 1st & then make your way back to Omaha. American cemetery is incredible, a must see. Everyday at 5 or so they play Taps, very moving.
- 4) On the way home we plan to see Versailles, near Paris. Since some things are far away, good idea to plan to see something on the way back

### Tips

- 1) Supermarket grocery store is only open till noon on Sun
- 2) Market here on Sun has lots of stuff but lot pricier than Germany & the Netherlands, but it is a vacation
- 3) Use your French. Everyone is friendly & they won't revert to English even if your French isn't the best

We had a very enjoyable week. The weather was average but did allow us to do all of our travels to remain relatively dry. I did a fair bit of research before arriving to piece on a itinerary for the week. We managed to accomplish the following:

→ Day one ← Juno Beach Museum (Coulbesselles sur mer / 1444) - STAY FOR THE TOUR TO SEE THE DE THE BUNKERS / VIEW MUSEUM IN THE DISTRICT

LOOKING FOR THE (ISS WAS BEING BUILT) IN BENEVOLENT MIND / WITH BUNKERS - SEVERAL CANNONS STILL VISIT, WORTH THE VISIT

→ Day two ← CITE DE LA MER (CARENTHOUX OUVILLE / SEINE) SINGAPORE PRICES (862 FOR FAMILY PASS) - ITS AN INTERESTING VISIT - PAID SUBMERSIBLE SCIENCE COVER AND TAKE ADVANTAGE. TOUR INSIDE THE NUCLEAR SUBMERSIBLE IS WORTH THE VISIT ALONE

→ Day three ← BACK TO NORMANDY BUNKERS

- Pointe du Hoc in morning - AMAZING AND MUST SEE
- FOLLOWED BY OMAHA BEACH MUSEUM (CARENTHOUX OUVILLE / SEINE / 1445) → IT WAS VERY OK. RECOMMENDS KITAOKI TANK OR OVERLAND MUSEUM INSTEAD

- FINISHED DAY WITH VISIT TO Cimetière Américain (CARENTHOUX OUVILLE / 1471)

- AMAZING PLACE TO GET END OF DAY TO HAVE IN THE FLAGS BEING LAUNCHED. IT HAPPENED AT 5 PM AND THEY PLAYED TAPS DURING WHICH WERE VERY MOVING

→ Day four ← MONASTERY SAINT MICHEL (SEITE)

- AMAZING MONASTERY - A DEFINITE VISIT IF YOU'RE NEAR. READ ADVISE YOU GO AS EARLY AS POSSIBLE FOR THE CLOUDS

### NOTE TIPS:

- GAS IN VEHICLE IS INVALUABLE
- MARKET IN TOWN ON SUNDAY IS GREAT
- SUPER V IN BRADAL IS GOOD BUT CATERER HOURS FOR  
WHEN THEY'RE OPEN (LIMITED TIMES ON SUNDAY SO  
DIFFICULT TO STOCK GROCERIES FOR THE WEEK OR  
MONTH UNLESS YOU BRING YOUR OWN)
- MOST RESTAURANTS OPEN AFTER 7 PM FOR DINNER  
WHICH IS QUITE LATE FOR YOUNG FAMILY

HOPE YOU ENJOY YOUR STAY AS MUCH AS WE DID !!
