A great week to explore and experience Normandy at its Best!!

BLUF: see above!

Visited:

- Super U in Bréhal → a great place to stock up on everything
- St. Malo: Wow! Gallettes + Chat Malo beer
Great walled medieval city with charm and a bit of Jacques Cartier.
- Sunday Market @ St. Martin de Bréhal (here!)
Fun!
- Mont St. Michel: Wow + !! This is a full day experience. Do not shortchange your visit. Must See: Abbey + 4 museums.
- Granville: exciting port city with amazing cathedral on a hill, + shopping and many restaurants.
- Juno Beach + Canadian Cemetery: Very touching visit @ Juno Beach Centre. Do the bunker tour. The cemetery @ Bénouville is peaceful, beautiful, and immaculate.
- Coutances: Cathedral + Gardens! The cathedral is truly awesome in the real sense of the word 'awesome'. The gardens near by are also colourful, creative, and quiet!

Where to Eat:

Local: Le Retro for moules/frites and croque monsieur

: Greg's Pizza → delicious

Bréhal: Au grés ^{des saveurs} - Crêperie. Good selection

: Le Salin → @ Rond Point on the way to Carentan. Good food at good price. !!!
Toujours!

Cowley Clan Visit!

2018

Beautiful area and long walks on the beach - go right when the tide is out and you'll come to a mussel & oyster farm!

Quite the set-up to see!

Agree with previous comments about Greg's Pizza Delicious & well worth tasting!

Granville is so close with lots of shops and bunkers up on the hill - nice walk with fantastic views!

We spent two days at Normandy Beaches with a day tour and visited all 5 main beaches and highlight monuments/museums!

Juno Beach tour & museum! A must! Well done

Gold Beach museum 360° cinema! Wow!

Mont St. Michel - go when it opens & do the

Abbey & spend the day there on the island

We walked the beach all the way around and this place is stunning!

Contacted owner, Nadege about missing tv, DVD & radio as advertised. She purchased new tv & DVD. Also, the coffee maker leaks (damage to area where it's stored). We plugged it in to the counter area so water leak was easier to clean-up.

Leaving Tim Hortons coffee; and in fridge, margarine, eggs, peppers, tomato & lettuce. Also BBQ briquette fire cubes.

Enjoy your stay & thank-you Nadege & Frank.

Ps. Replenished olive oil & balsamic vinegar

14-21 JULY

WE FULLY AGREE WITH THE COMMENTS OF THE TWO PREVIOUS RENTERS!

- THE SUNDAY MARKET IS A WONDERFUL EXPERIENCE; A GREAT WAY TO START OFF THE WEEK! WE BOUGHT A FEW ITEMS USING A COMBINATION OF DEBIT CARD & CASH, AS NOT ALL THE MERCHANTS HAVE CARD READERS.
- MONT ST MICHEL WAS A GREAT DAY TRIP! IT DOES "PAY" TO BUY ABBEY TICKETS IN ADVANCE & SAVE TIME WAITING IN LINE.
- COCANTON IS A WONDERFUL TOWN WITH AN ABSOLUTELY SPECTACULAR CATHEDRAL; OH, AND THE PASTRIES ARE ALSO VERY GOOD!
- WE SPENT ONE DAY AT THE NORMANDY BARRIERS, VISITING PECASSE BRIDGE, LONGUES PATTIERY (A BRILLIANT VIEW IN GOOD WEATHER); THE OULLOLD MUSEUM.
- ST MALO WAS A GREAT TRIP; RICH HISTORY IN THE REBUILT OLD TOWN AS WELL AS A NUMBER OF ART GALLERIES AROUND THE CATHEDRAL.
- FOL FOOD IN SAINT-MARTIN DE BEAUME, YOU CAN'T GO WRONG WITH MOULLES; EITHER AT THE RESTO OR PIZZA FROM OREGA'S.
- NO ISSUES OR CONCERNS WITH THE LOTAGE

4. The other main part of the
this principal.

11. 100 player

Umbrellas do not like used. Especially
this one is it is being too big

Nedee

- WE ALSO LEFT FIRE STARTERS FOR THE BBQ ; ADDED TO THE COLLECTION OF DRY SPICES!

8-12 Sept 18

Had a great visit. Very close to everything we wanted to see. Great area to continue my half Ironman training as well.
Spent nights on the deck here.
