

Gullane, Aug 11-18 2018

Such a beautiful country, even in the fog, rain and
sunshine we had!

Alot to see in the immediate area as others
have mentioned, Dirlston Castle & Tantallon Castle
are both ruins but very different & worth the
visit!

Glenkinchie Distillery - interesting to learn the whisky/
making process - great tour however, we are still
not lovers of the brew!

Walk down to the old Club House - you won't be
disappointed with the food or staff - fish'n'chips!

Longniddry Inn for food - a short drive - park in
the back - well worth a visit! Steak sandwich with
caramelized onions! Yum!

Highlights

Visiting family in Dunfermline & seeing the Abbey.
Walking the beaches - Gullane & Seacliff!
Royal Military Tattoo! Incredible! Wow & wow!!

Goodbye Bonnie Scotland - till next time!

P.S. Craig - great host!

* August 18th - August 25th 2018

Thank you Craig & Lisa for a wonderful stay here at your home in Shullane. We had such a fantastic fun filled week in the sun, cloud, rain & fog (all in one day!).

We enjoyed visiting Tantallon Castle, Dirliton Castle and the North Berwick haw - all very close by.

The area around here is beautiful but the drive through the Highlands was definitely the best part of our week here. Some other highlights of our trip - Jacobite Steam Train in Fort William, Urquhart Castle, Loch Ness and of course Edinburgh. We took the train from Drem station instead of driving into the city. It was easy & inexpensive. Thanks again! We hope to visit again!
