Casa Kato did not just meet my expectations... it exceeded them! We had an amazing time on the Island, I think we covered almost every square inch of it. The Cactus Garden was beautiful, volcano park + camel ride was a must. We even went on the Submarine Safari and to the Aquarium, both were fantastic. Although the weather was a little cooler than expected, the time of year (slightly off-season) meant that we had a lot more freedom from the heat + crowds of peak season. I would highly recommend a guided bus tour - the Grand Tour - to maximize your exposure to the local culture and minimize wait times to get into the National Park. Mandy + John (the property managers) were fantastic. Readily available to help with anything we needed at the Villa. The Villa was the perfect size for our group - 3 adults plus 2 adults/1 toddler who came out for a few days. Thanks for a once-in-a-lifetime, memorable and perfect family vacation 😊

We had a GREAT time at Casa Kato!

We loved the island and all it has to offer ☺

We recommend Casa Kato to anyone because it makes the vacations perfect. The neighborhood is quiet, the view is fantastic and the pool is a must! John was really friendly and the owner Rob as well.

Thank you!
