We really liked Casa Kato and Playa Blanca.

We went hiking on 2 volcanos: Montagna Roja,
one of them. It was really fun. Thanks

Hello! We enjoyed Casa Kato! It is a
nice villa.

What an experience! LANZAROTE is one of the nicest places we've ever visited! Highly Recommend the full day "GRAND TOUR" from FIRST MINUTE TRAVEL (located DOWNTOWN) they will pick you up at the Resort at the bottom of the hill. Had many great meals DOWNTOWN AND WITH THE BRQ. Best Restaurant was the PLAYA BLANCA on the waterfront - GREAT Paella AND STEAKS!

Make sure you take a few hours and travel up to CESAR MANRIQUE'S museum. Well worth the drive (other side of ARRIFICE)! AN ABSOLUTELY Beautiful home!!

CASA KATO is BEYOND Beautiful! GREAT View, GREAT Pool AND GREAT HOTTUS!

Thanks for the memories!!

Spent a lot of time walking along the waterfront or relaxing in the back yard. Take one of the bus tours if you get the chance to see the National Park. Also the introductory SCUBA dive to see the sea life around the island.

Great Vacation

Thank you for such a wonderful week at Villa Kato

(6-10 years old).
We had a great week with our Kids, everybody loved

the villa and the island. The heated pool was awesome!

Our highlights:

- The Green caves (Cuevas los Verdes)
- Mirador del Rio
- Janubio area + El Golfo
- the mountain right behind the villa (a great walk with the kids)
- Playa papagayo + flamingo
- Of course the National park and its Volcan!

We are now going to the Aqualava waterslide park before our departure.

* We strongly recommend to rent a car (80€/week).
The driving is too easy!
And buy a pass to visit the parks; you will save money

Thanks again!
